Chairman, COMIREX

Dear

On 31 March I will retire from active duty with the United States Army and from the Department of Defense Mapping, Charting and Geodesy organization with which I have so long been associated. In leaving active military service, I extend to you and your staff my sincere appreciation for the cooperation and friendship you have provided to me and to the other members of the U.S. mapping community during our association.

I have truly enjoyed working with you as a Chairman of one of the working groups of your committee in the intelligence community.

I hope that my retirement will not end our association and that we will continue to maintain our cordial acquaintance. In the meantime, best personal regards to you and members of your staff.

Sincerely,

Chairman
COMIREX MC&G Working Group
